FOR IMMEDIATE RELEASE

It's Baby Mania at the Zimmer Children's Museum!

Babies-only programs, classes a big draw at the Zimmer

Los Angeles, CA – The Zimmer Children's Museum is pleased to offer a number of “exclusively babies” programs. While children under two are always welcome at the Zimmer Children's Museum (for free) and will find many wonderful things to do in our exhibits, these spaces and programs have the specific needs of our youngest visitors in mind. Come play!

Baby Bouncy Room

To provide a fun, safe refuge for our rolling, crawling and toddling visitors, this brightly colored nook is filled with soft toys, mirrors and plenty of activity mats so that tiny tots can explore in their own way away from the traffic of older kids.

V.I.B. (Very Important Babies) Hour

Wednesdays at 9:00am

Each Wednesday morning at 9:00am, the Zimmer opens its doors exclusively to the under two crowd! Tiny tykes and their caregivers can enjoy the museum in a more relaxed setting giving both kids and adults more room to breathe (and crawl and climb). Adult admission rates apply.

Sensation City Class

Wednesdays (October 19 – November 9), 9:45-10:15am

This class encourages the natural tactile exploration of babies and toddlers through structured sensory activities. From smooth to silky to fuzzy to rough, children will celebrate diverse textures through visits to different parts of our “city”. From crawlers to 24 months.

Price: \$40 members/\$60 non-members (whole session), \$10 members/\$15 non-members (drop-in)

About the Zimmer Children's Museum

The **Zimmer Children's Museum** is a nonprofit cultural institution located on Museum Row in Los Angeles, featuring hands-on exhibits for children ages 0-8 to explore BIG IDEAS in creative and inspiring settings. The Zimmer is also the only museum dedicated specifically to kids and families in Los Angeles.

The **Zimmer Children's Museum** is dedicated to teaching people about the BIG IDEAS of global citizenship, community responsibility, and cultural sensitivity. Our mission is to promote values that help make a better society through interactive learning, creative self-expression and art experiences for children.
